

Mission Viejo Emergency Amateur Radio Club
RACES - ARES
Serving the City of Mission Viejo, California

Preamble for RACES Activation
Net Operating, and Sign out Statements

**Before beginning the RACES Net, check first for a clear frequency. For example you may announce:*

This is insert your call. The Mission Viejo RACES net will begin momentarily.
Is there any emergency or priority traffic before we begin?

**Start the net*

This is insert your call. This station is Net Control for the Mission Viejo Radio Amateur Civil Emergency Service.

This is a RACES drill. Insert your call will now commence roll call.

**Announce each call and name from roll call list, acknowledge all check-ins and record on roll sheet.*

Insert your call will now stand by for late or missed check-ins, Mission Viejo RACES members only.

**acknowledge all check-ins and record on check-in sheet.*

Net Control Is ready to accept emergency traffic.

**Proceed with traffic from checked-in stations and your own traffic.*

Use the following for closing down the emergency net and activation.

Is there anything further for the net?..... This is insert your call, Net Control.

**Wait a moment for any response.*

This RACES Drill has ended. All active Mission Viejo RACES stations please call Net Control to sign-out. Call Now.

**acknowledge all check-outs and record on Log Sheet.*

This is insert your call, Net Control, the Mission Viejo RACES net is now clear and the frequency is now available for normal traffic.
