

MISSION VIEJO RACES-ARES HANDBOOK

PREAMBLE FOR SIMPLEX TEST NET

****Before beginning the Net, check first for a clear frequency. For example you may announce:***

This is *insert your call* The Mission Viejo Emergency Amateur Radio Group Resource Net will begin momentarily. Is there any emergency or priority traffic before we begin?

****Start the net***

This is *insert your call* This station is Net Control for the Mission Viejo Emergency Amateur Radio Group, affiliated with Radio Amateur Civil Emergency Service (RACES) and Amateur Radio Emergency Service (ARES). This net is held each Tuesday evening for the purpose of membership check-ins, announcements, and training.

Tonight we will not be requesting “resource status and availability” from members.

Tonight’s “Training Exercise” will be begin right after the announcements.

For this exercise please be prepared to Change Frequency for additional roll calls.

insert your call Net Control will now commence roll call here.

****Announce each call and name from roll call list (4-14 Radio Resource Status (RESTAT) Report) form.***

****Acknowledge all check-ins, and record on check-in sheet.***

insert your call will stand by for Visitor check-ins. Please state your full call-sign, your name, and organization if affiliated with any emergency group. Call now.

****Fill in the visitor information (not “M”ember) on the blank Resource Status (RESTAT) Report form.***

Are there any announcements for the net, or any traffic? Call Net Control.

****Proceed with traffic form, checked-in stations, and your own traffic or announcements.***

This is *insert your call* Net Control, The training exercise is about to begin

This will be a two part Test.

First - this NET will Change Frequency to Channel 3 – we will conduct another roll-call to test which members can copy each other and who needs a relay. Each member should record who they can hear from their location and email it to the Radio Officer at wa6ruz@gmail.com.

Second - the Net will Change Frequency to Channel 7 when directed by net control and will follow the same procedure as the first test.

This is *insert your call* Net Control, This Net will now Change Frequency to Channel 3 for a roll-call.

****Change Frequency to Ch. 3 *Before beginning the Net, check first for a clear frequency. For example you may announce:***

This is *insert your call* - This station is Net Control for the Mission Viejo Emergency Amateur Radio Group, I will now commence roll call.

****Announce each call and name from roll call list (4-14 Simplex Test Roll-call Checksheet) form.***

****Acknowledge all check-ins, and record on checksheet. “If Net Control hears No Response ASK for A RELAY”***

****After roll call is completed:***

This is *insert your call* Net Control, This Net will now Change Frequency to Channel 7 for a roll-call.

****Change Frequency to Ch. 7 *Before beginning the Net, check first for a clear frequency. For example you may announce:***

This is *insert your call* This station is Net Control for the Mission Viejo Emergency Amateur Radio Group, I will now commence roll call.

****Announce each call and name from roll call list (4-14 Simplex Test Roll-call Checksheet) form.***

****Acknowledge all check-ins, and record on checksheet. “If Net Control hears No Response ASK for A RELAY”***

****After roll call is completed:***

This is *insert your call* Net Control for the Mission Viejo Emergency Amateur Radio Group, this Net “roll call test” is complete, this Net is now closed and the frequency cleared for normal use.
